

2023 - 2024 ACADEMIC MATERIALS / SUPPLIES

On the official first day of school
- Juniors August 17 and Seniors August 18 -
please have paper and pencil/pen for your academic classes.
You are expected to have writing utensils every day.

Each of your academic teachers will let you know what supplies you'll need for their classes, like binders, folders, specific calculators, etc.*

Full-time students can expect to be in a minimum of three (3) academic classes in addition to their programs. For each academic class and your program, you will be required to have certain materials / supplies.

The Career Center will assign to you a Chromebook and charger, which will be yours for the year to take home each day. You are expected to bring the charged Chromebook to school every day. You are physically and financially responsible for this equipment. Loss, damage, or failure to return it at the end of the year will result in being charged the full current replacement cost.

You'll need to provide a personal set of earbuds / earphones for use with the Chromebook.

Teachers may issue textbooks or other materials to you, which will be your responsibility. Damage or loss will result in being charged the full current replacement cost for said books / materials at the end of the school year.

After the first week of school, you must have all required materials with you in class **every day**.

All students are responsible for a \$25.00 student activity fee, which pays for your vocational club membership.

*Some donated items **may** be available at the start of the school year.
