

ELECTRICAL SYSTEMS TECHNOLOGY MATERIALS LIST 2023 - 2024

2023-24 Student Activity Fee: \$25.00 to be paid by September 6.

REQUIRED FOR FIRST DAY OF THE SCHOOL YEAR:

- Safety glasses - clear, not tinted - standard goggles or prescription glasses with side shields. You must have them even if you have regular glasses. If regular glasses are safety lenses, they need side shields.
- Work pants or jeans - no holes or rips
- Work shirts - for safety issues, work shirts must fit properly. No loose-fitting clothing. One school uniform shirt will be required and can be purchased the first week of school. Further instructions to purchase the uniform shirt will be given on the first day of school.
- Slip resistant leather-type work shoes to be used for lab only.
Tennis shoes are not permitted in the lab. A lab locker will be provided.
- Electrical tool kit
- 3” notebook with 6 dividers for notes, handouts, tests, etc.

**The tool kit list is essential to your program.
You should purchase good quality tools or use tools you already own.**

The following businesses have special prices for Career Center Students*:

Coshocton Lumber Company	1201 Walnut Street	740-622-0198
